# STUNTS

A person with reddish-brown hair, wearing a light-colored long-sleeved shirt and dark pants, is riding a dark brown horse. The person is holding the reins and looking towards the camera. The background is a bright, overcast sky. The overall image has a slightly blurred, cinematic quality.

The stunts are cheap, ill-thought-out, and often fail. They look lackluster and anticlimactic. Shot wide, on a camcorder, start to finish. We let the audience see the whole thing.

Not a lot of camera tricks. Simply a talented stunt team who *cowboy up* and do them.
